Vodavi Digital Endpoints

RANGER (3014-00)
RANGER SS (3013-00)

Vodavi Ranger Cordless telephones are designed for employees who need the functionality and quality of a multi-line digital phone in a mobile environment. The Ranger provides a full-featured digital cordless solution, while the Ranger SS provides the same feature set plus greater coverage.

DSS ATTENDANT CONSOLE (3010-71)

Add a DSS console and achieve an additional 48 buttons to support an attendant or answering position.

DOOR PHONE (3560-08)

This intercom unit is ideal for warehouse entrances or apartment lobbies. The door phone can be programmed to ring multiple extensions with a customized distinctive ring tone.

The Vodavi line of digital telephones consists of five desktop models along with a DSS attendant console and two models of Ranger Cordless telephones. All five speakerphones are CTI capable, which enables your computer and telephone to work interactively for efficient call processing. Most are equipped with a standard 2.5mm headset jack, which allows the addition of a wide variety of low-cost headsets.

8-BUTTON ENHANCED (3011-71) ▶

With 6 fixed and 8 flexible feature buttons plus a fully integrated speakerphone, this phone covers all the basics.

◀ **8-BUTTON EXECUTIVE (3012-71)**

Enjoy the benefits of an LCD display, 3 interactive soft-keys and a 2.5 mm headset jack in addition to the features of the 8-Button Enhanced Speakerphone.

30-BUTTON FULL DUPLEX (3017-71) ▶

With all the features of our 30-Button Executive Speakerphone and the addition of full duplex audio capability, this phone is great for the hands-free executive or the conference room.

◀ **30-BUTTON EXECUTIVE (3015-71)**

Ideal for the widest variety of applications, this phone offers 12 fixed and 30 flexible feature buttons plus 3 interactive soft keys and a 2.5 mm headset jack.

ELITE LARGE-SCREEN DISPLAY (3016-71) ▶

This telephone is our top-of-the-line business communications solution. This advanced and easy-to-use telephone is equipped with 12 fixed buttons and 30 flexible feature buttons. Additionally, the oversized 7x16 LCD display provides easy access to the interactive feature menu, which offers one-touch access to several commonly used features. These include Do Not Disturb, Last Number Redial, Voicemail, Speed Dial, Directory and more.
